

## Miscellaneous Library Equipment / Property Use Policy

The James Kennedy Public Library owns several items that are not in constant use at the library. Examples are a Wii Gaming Console, a portable projector, electric coffee urns, insulated beverage jugs, tables, stacking chairs, etc. In order to make the best use of these items, it has been decided that they may be loaned out for people wishing to use them. The library is pleased to be able to offer this service. Donations are welcome. The following rules will apply.

### Priority Use:

1. Priority is given to use of the equipment for library programs. Items will not be available to check out if needed for library activities. The library makes no guarantee that an item will be available when an organization wishes to borrow it.
2. Groups and individuals may check out items for use at the library or at an outside event. Everyone wishing to use the equipment will be expected to follow the guidelines listed below. For those wishing to use the equipment at the library, a deposit will not be charged and the equipment must be returned to the circulation desk at least 30 minutes before closing time.

Guidelines for borrowing the equipment are as follows:

1. Each item will housed at the James Kennedy Public Library and will be marked as property of the James Kennedy Public Library.
2. Each item will have a barcode and catalog record assigned to it.
3. Items will be checked out using the library system so the person borrowing them must have a library card in good standing.
4. Items will be checked out only to adult patrons who have had a James Kennedy Public Library Card for at least 30 days and whose card is in good standing (no overdues, fines, etc.)
5. Items may be reserved ahead of time, and must be picked up and returned during the library's normal hours of operation.
6. There is no charge to borrow items; however, items that are valued at more than \$50.00 will require a deposit. The amount of the deposit will depend on the value of the item borrowed. The deposit may be cash or a personal check bearing a local address, no two-party checks will be accepted. The deposit will be returned to the borrower when the equipment has been checked in and found to be in good working order.
7. Items will be checked out for 3 days only.
8. Borrowers must sign a "Library Equipment Agreement" upon checkout. This signature will specify that the person checking out the equipment assumes full responsibility for its safe return in good working order. Check out period must not exceed three days. There will be a \$10 per day late fee.
