Rules and instructions on the back of this sheet

Make bingos top-to-bottom, side-to-side, or diagonally. You may not "double up" on a space. For instance: If you read an animal book outside for 30 minutes, you may mark only one of those spaces, not both.

Bring this bingo sheet to the front desk to have it stamped and the bingos recorded.

Do up to 4 bingos per sheet and then get a new sheet.

1st bingo: Free book

2nd bingo: Goody bag

Additional Bingos: Extra drawing entries

For each bingo square filled, drop a rock in our rock jar! If the jar gets filled, one child's name will be drawn to PIE THE LIBRARIAN!

Each completed bingo earns an entry into the drawing for large and grand prizes!
