

READING COLORS YOUR WORLD.

Cross off a crayon for each 30 minutes that you read or that someone reads to you. Each crayon is worth 30 points. For each 30 points you earn, either reading or for participating in events, you can choose a bead for your chain and add a sticker to our collaborative poster. Earn 360 points and you may choose a brag tag, receive an ice cream coupon, and enter your name into our grand prize drawing (240 points must be from reading). You may earn more than one brag tag and grand prize entry, but only one ice cream coupon.

See www.dyersville.lib.ia.us or <http://dyersvillelibrary.readsqured.com/> for rules and details.
