

Read Beyond The Beaten Path

Cross off a boot print for each 30 minutes that you read or that someone reads to you (2 boot prints equal 1 hour). Bring your reading log to the library for us to record your minutes read and event attendance. For each hour read or event attended you can choose a bead for your chain. After you get 12 beads you may choose a brag tag, receive an ice cream coupon, enter your name into our grand prize drawing, and take a guess on the marshmallow guessing jar. You may earn more than one brag tag and grand prize entry, but you only get one ice cream coupon and one guess on the guessing jar.

Summer Program Events

Cross off each event you attend. Each event is worth one bead.
