

## Updated Hours & Services:

Starting today (March 19), the JKPL is also offering Curbside Service for patrons who wish to borrow library materials while the library building is closed to the public. Curbside service will be available Monday through Thursday from 10 am-6 pm and Friday and Saturday from 10 am-4 pm. Call the library at 563-875-8912 with questions and requests or email [librarian@dyersville.lib.ia.us](mailto:librarian@dyersville.lib.ia.us). Library staff will package and checkout your requested items to your library account. You will make an appointment to come pick them up and once you arrive, items will be walked to your car and put in your trunk. If your vehicle doesn't have a trunk, items will be placed adjacent to your vehicle for pick-up. There will be no face to face interactions.

- Patrons requesting this service **must be fever free for at least 24 hours and have no symptoms of any illness.**
- Patrons may designate a healthy person to pick up their items for them with library staff.
- In accordance with social distancing practices, library staff will place materials into patron's unlocked trunk or adjacent to your vehicle if there is no trunk. Please do not get out of the car until the library staff member has walked away.

We ask that if you have items to return that you please return them in the outdoor drop box. If you have items that do not fit in the drop box or might be damaged by returning in the drop box, please plan to return them once the library reopens. Please feel free to call or email us with questions and/or requests.
