## Drop Everything And Read Month Dyersville Book / Business Scavenger Hunt April 2024

The JKPL and Dyersville businesses have partnered together for a fun DEAR month scavenger hunt! Can you match the book with the business? Find the book cover somewhere in the business or business window and write that business name below the matching cover on this form.

Bring your form into the library between April 20 and 30 to get entered into the prize drawing for one of several gift baskets.

Entries with at least half of the books and businesses identified correctly will receive one entry into the drawing. Get them all right to earn two entries!
