

Seek and Find in the Library Window-Commotion in the Ocean

Use your powers of observation and find the following items in the library's front window. Check them off as you find them. Find at least half the items to earn points for the Children's Summer Reading Program. The code for this program is in the detailed description on READsquared. If you are not using READsquared, turn the completed paper list in at the check-out desk in the library.
