

HELP US NAME OUR NEW ACTIVE LEARNING SMART SPACE!

In April, the JKPL debuted its new Active Learning Smart Space. This space was designed to provide opportunities for learning and creating and making and doing in any area of local interest; but especially focused upon the areas of STEAM (Science, Technology, Engineering, Art, Math), Do It Together and Do It Yourself activities. Now it's time to give that space its own name and we need your help!

During the month of June we are asking for your recommendations on what we should name the space. Then in July we'll ask you to come back and vote on the top 3 suggestions that we've received. The person whose suggestion is selected as the official name for the space will get a special prize! All suggestions must be submitted by June 30.

Name Suggestions:

1. _____
2. _____
3. _____

Your Name _____ Phone Number _____
