"THERE IS NO APP TO REPLACE YOUR LAP. READ TO YOUR CHILDREN."

- Author Unknown

In today's world, it is easy to let hand-held technology replace books in the lives of our children. While i-Pods, i-Phones, and laptops all have much to offer, they can never replace books, especially when enjoyed on the lap of Mom or Dad. That is why our free public libraries are so important. The Friends of the Library organize many fundraising activities in order to add to the library's collection of books and other materials. We also sponsor various educational speakers and fund the very popular Summer Reading Program. YOU CAN BE A PART OF THAT. Please help us by sending in your membership dues today so we can count you among the Friends of the Library.

2019 FRIENDS ANNUAL MEMBERSHIP DRIVE

As president of the Friends of the James Kennedy Public Library, I would like to ask you to become a Friend of the Library. Your dues of just a few dollars will help keep our award-winning library among the best in the state.

WHY YOUR MEMBERSHIP MATTERS:

- We have all heard the saying, "if you don't use it, you lose it." That is what happens to a child's reading skills if they are not practiced throughout the summer. **The summer reading program is offered to area children because of money the Friends have raised.**
- The library is all-inclusive, with books, materials, and other offerings that cater to every age group, from infant to retirees. **Many of the library collections you enjoy are financed by the Friends.**
- With city budgets being stretched each year, the financial support the Friends offer the library becomes more and more critical. **Your dues mean so much!**

Please take a moment to complete the form on the reverse side of this letter and enclose your dues. You can either mail it or drop it off at the library. Thank you for your past support!
