

Cross off any object for every 20 minutes you read .

Upon registration, you will receive a necklace or a key chain and get to choose a brag tag to begin your reading chain. There are 5 kinds of beads you can earn, plus 4 different brag tags:

20 minutes = 1 Solid color bead

2 Solid Beads = 1 Metallic bead (40 minutes)

3 Solid Beads = 1 Glitter bead (60 minutes)

6 Solid Beads = 1 Glow-in-the-Dark bead (120 minutes)

12 Solid Beads = 1 Shaped beads (240 minutes)

12 hours = Brag Tag

You earn solid colored beads for each 20 minutes you read, and can trade up for other beads if you wish. For instance, after you have earned 12 solid beads, you could turn them in for 6 glitter beads, 4 metallic beads, 2 glow-in-the-dark beads, 1 shaped bead, OR a combination of solid and the other bead styles. You might decide to turn in 5 solid beads for 1 glitter bead and one metallic bead. Or you could do a chain of all solid beads. You build your chain your way!

For each 12 hours you read (one sheet), you may choose another brag tag, choose another free book (while supplies last), add a sticker to our reading poster, and will be entered for the grand prize drawing. You do not have to trade in beads you have already earned for a brag tag. You may earn as many beads and brag tags as you wish, but will receive only one chain. Have fun!
